

As Mayor, I feel a deep responsibility in living up to my oath of office and remaining faithful to God in my promise to provide a safe, healthy environment in which our citizens can live, work, and raise our families. There's no room for lewd, obscene behavior, much less exposing our children to it in public.

I am fully in favor of a law prohibiting any person from recklessly engaging in adult cabaret performances in any location other than an adult cabaret. Any violation of it should be prosecuted to the fullest extent.

To have to worry about our children being subject to indecent exposure by the degenerates of our society is ridiculous. Its level of decency has significantly declined over the years, and the moral fabric of our communities is constantly being challenged and compromised, which it need not be. This bill needs to be passed.
